### PROFILE

Creative and detail-oriented Graphic Designer & Web Developer with a strong passion for visual storytelling and interactive design. Skilled in crafting engaging user experiences through clean, responsive web development and compelling digital graphics. Adept at turning ideas into visually appealing, functional solutions that connect brands with their audience.

Proficient in tools such as Adobe Creative Suite, Figma, HTML/CSS, JavaScript, and modern frontend frameworks. Experienced in collaborating with cross-functional teams to deliver client-focused, high-impact design solutions.

Constantly learning and evolving to stay current with design trends, UX principles, and emerging web technologies.

### WORK EXPERIENCE

#### UI Skill Synergy Squad

Technology Developments for Students

PRESENT

- Founder and Lead Manager of UI Skill Synergy Squad, a student-led development team at the University of Ibadan. Spearheaded projects focused on UI/UX, frontend and backend development, and digital product design. Coordinated training sessions, hackathons, and collaborative builds to enhance members' skills. Fostered partnerships and guided team members in building real-world solutions for campus and academic use.

#### Power of Prayer Ministrels

2021 - Date

Religious Body

- Volunteered as a media and technology lead in a religious organization, designing visual materials, managing digital content, and maintaining the website to support outreach and community engagement. Led a small team in creating consistent branding for events, sermons, and educational content across print and digital platforms.

#### Genuine Results Education Forum

2021 - Date

Educational Consultant

- Collaborated with content creators to design user-friendly web pages and engaging graphics for educational materials. Built and maintained responsive forum interfaces for learners using modern web technologies. Enhanced user experience through clean UI design and seamless navigation. Contributed to visual branding and layout consistency across the platform.
